ACTIVITIES 108

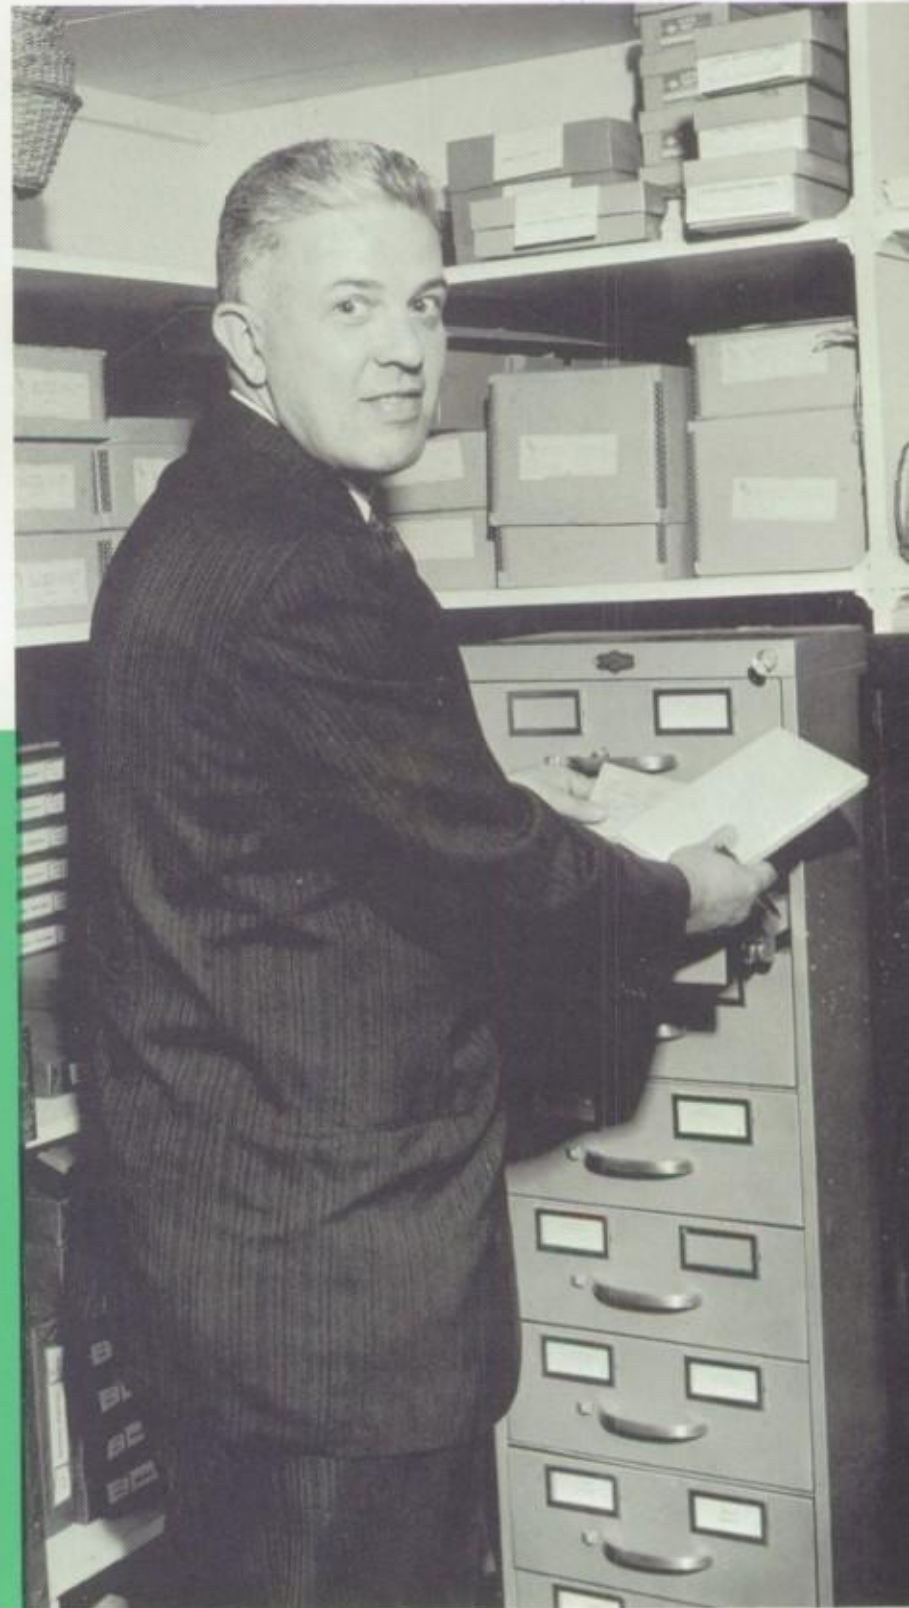

It was a long time ago,
 but it seems so short now,
 that the class of '62 met for the first time
 on that memorable date,
 September 2, 1958.
 Many things have happened since this date.
 None of us could ever forget
 study halls and student teachers,
 locker trouble and library fines,
 class meetings and chapel services,
 having our lockers on "Freshman row"
 in our Senior year,
 Homecomings and choir concerts,
 our Junior-Senior Banquets,
 and then finally,
 Baccalaureate and Graduation.
 All these and many more have helped
 to make our four years at Luther
 unforgettable.
 These activities
 along with the knowledge we have gained
 have become the
foundation for our future.
 Our yearbook should be dedicated
 to a person who has
 greatly helped us to build
 a strong foundation. **THUS**

*We Dedicate this Log to
Mr. Walter Hartkopf*

We, the class of 1962, feel that you have done the most for our class and our school in the time we have been here. It is often heard that you are "one of the busiest men at Luther North" and this is very true. Not only are you Assistant Principal and Dean of Students, but head of the English Department as well. Also, as advisor to both the Student Council and the LOG Staff you have done much for our school and also for each of us as individuals.

We have always found it easy to come and talk to you and have always found you willing to help. We will long remember how much you stressed "simplicity" when doing things and we are sure the constructive criticism which you give will help to make us better people.

Yes Mr. Hartkopf, we think a lot of you; your Christian example at all times has made us aware of the power of faith and has helped us to build a firm **foundation for the future**.

We pray that God will continue to bless you and reward you for the good you have done in His kingdom.

A Dream

Enjoying the new Senior Room, which the students built, are: Dennis Eggers, Helen Walka, Arlene Fredrickson, Harry Akre, Paul Anderson, Dottie Streetz, and Winnie Emert.

Becomes A Reality

In April of 1961, a dream was born.

This dream, if it came true,
would solve many problems
that were troubling the minds
of a number of people.
The dream would provide a place
for seniors to study and socialize
during their free period
and would facilitate other valuable space
for new students.

It would provide
an outside entrance to the gym
and a private room
in which the LOG and BLUE AND GOLD Staffs
could work.

It would also cost twenty five thousand dollars ———
an amount the Board could not appropriate.

So the dream began to dissolve
even before it took shape.

Mr. Duensing proposed a solution.

Why not give the students
a chance to raise the money?

A logical explanation,
but so unbelievable.

Some people considered the plan fantastic.

Students raising such a large sum!

However, Mr. Duensing, with confidence
went ahead with his plan.

Rough sketches of the building plan
were distributed after a Wednesday chapel service.

As the plan was explained,
a feeling of excitement came over the students; and
when Mr. Duensing had finished,
the feeling of enthusiasm had spread.

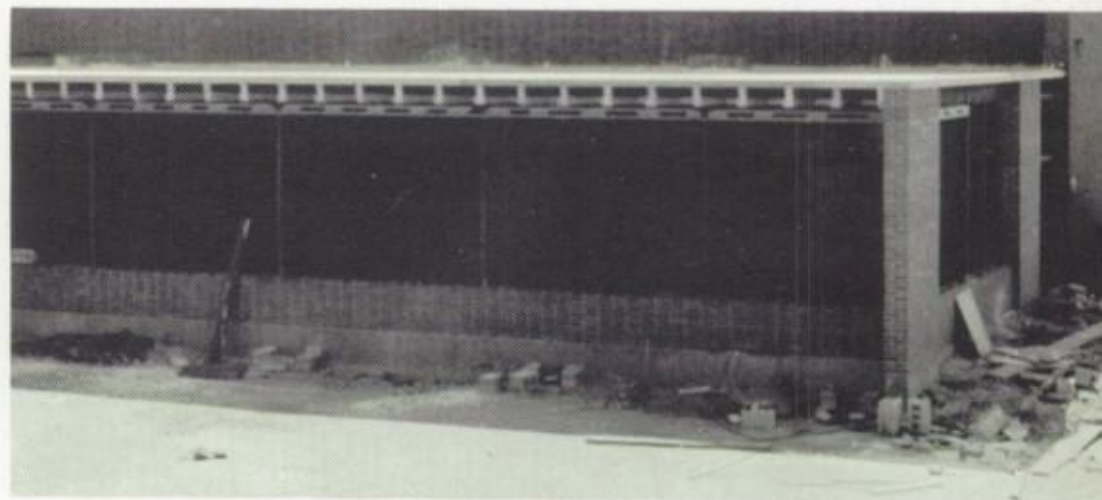

From April to June the students worked
to finance the dream.

They did this by getting pledges from parents,
relatives, and friends,

and by promoting special efforts,
always being conscious of the ultimate goal.

Today we know this project as ———
our senior room.

This is the **Foundation** that has been built
through determination,
confidence,
hard work,
and the blessing of our Lord

Form Basic Foundation

All of the branches of the educational system of Luther North are functions of the Board and Administration. It is from the thinking and planning of each of the members of the board that advantageous plans are developed and suggested. This past year several changes and additions were put into effect for the benefit of the faculty as well as the student body.

A new record system, known as the Key Sort System, was put into practice in the office. This included the attendance data and grading of all the students, often referred to as the "Poor Man's IBM." As registrar, Pastor Beckmann, supervises this job along with his work in counseling.

More aptitude tests and occupational information were offered by the guidance council to help the upperclassmen in planning for college.

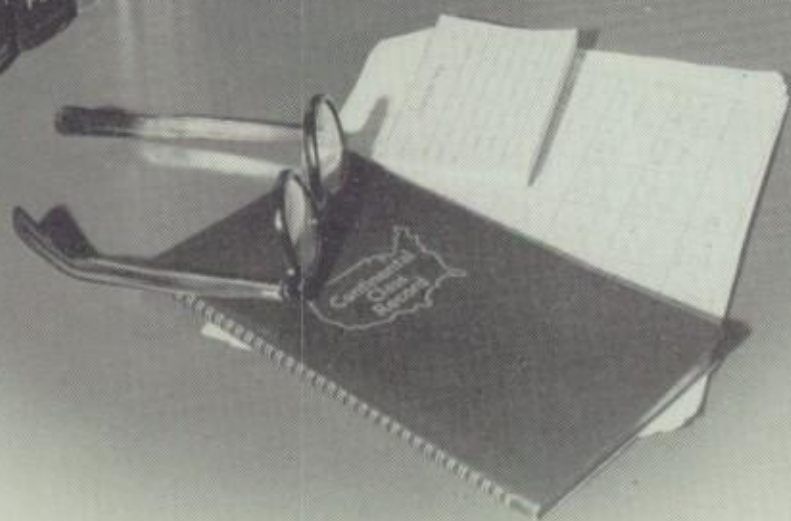

Even though increased enrollment places a larger strain upon Mr. Duensing, as principal, and Mr. Hartkopf, as assistant principal and Dean of Students, the necessary work has been willingly done to maintain the smooth operation of the entire school, its staff, and student body. The combined efforts of the superintendent, administrative board, the guidance council, the principal, and the assistant principal must be coordinated for the proper functioning of the school as a whole.

A Foundation Is Formed Through Christ

The Christian spirit is found permeating throughout our student body, and the teachers of the **Religion Department** help to develop this feeling. Courses from freshman to senior year are as follows: New Testament History; Old Testament History; Church History, and Christian Doctrine.

A special event took place on October 8, 1961, for on that date Reverend Emmet Rogness was installed as the new spiritual advisor and Religion Department Chairman. Professor Bertram, Head of Religion at Valparaiso University, was speaker on that occasion.

Though a Religion course is taught during just one period of instruction, the effects reach into and through every other area of study and life. God's Word is brought into any and all of our classes and activities.

Logical Thinking Used Skillfully

The Mathematics Department presents a considerably wide range of subjects from which to choose in preparing for engineering, accounting, carpentry, and various other profitable professions. The major purpose is to help the student reach their life goals and to develop logical thinking.

In addition to the regular Math curriculum, Luther has taken a big step. Two new Math courses have been added. The Senior honors math class is taking a Freshman math course at Wright Junior College. This will give each of these students five hours of college credit. Also, an "early" morning class is held to teach the basic rules of the slide rule to all those interested.

The Problems Of Today Are Made Clear

Through meaningful teaching and special techniques, the **Social Studies Department** meets the challenge of a threefold purpose—thinking, understanding, and recognizing. Students are taught to think about problems of mankind and government. They learn to understand fundamental concepts and basic institutions, and to recognize mutual privileges and responsibilities under the law of God and man. Because of the strain of the "cold war" throughout this year, the social studies department has taken on a deeper meaning. The social studies student learns the true meaning of war and is well aware of the causes of it.

The Reading Laboratory and the Accelerator, introduced this year, are used by Nancy Ziermann, Baerbel Baisch, Mark Dasler, and Judy Kadow.

Our speech and writing are reflections of our cultural background and our personalities, and so, the **English Department** provides students with opportunities for expressing themselves; and through literature introduces them to good speech and writing.

Standards are constantly being improved by our English Department. An emphasis this year was placed on a reading laboratory to increase reading skills. A basic English course was offered to students in need of a fundamental background.

Through these new additions and those which already have been firmly established in our English curriculum, a foundation has been laid that will last for all the years to come.

Knowledge and Communications Develop

Knowledge develops through proper use of **Library** facilities. The library is second only to the teacher and the student in the learning process. The library of Luther North houses many of the finest volumes, along with many pamphlets, periodicals, and audio-visual aids.

Just as knowledge develops through proper use of library facilities, communications develop through foreign languages. In our ever-shrinking world, language is becoming one of the most important means of communication. Through the **Foreign Language Department**, we learn not only German, Latin, and Spanish words and meanings, but an understanding of the people that speak these languages.

The Latin classes used their knowledge of Roman history this year in making a float for Homecoming. The theme of the float was "They came, They saw, We conquered," a paraphrase of Julius Caesar's famous quote, "I came, I saw, I conquered."

Physical Fitness Grows

The **Department of Physical Education** serves as a means to develop spiritual, physical, social, and emotional fitness. The opportunity to compete in the learning of skills through team and individual activities is given with aid, supervision, and guidance.

Health classes are also a part of this department. They endeavor to give the student a clearer understanding of God's wonderful creation.

The department's instruction endeavors to enrich both the physical and mental lives of the student body by helping them to build foundations for the future.

The department helps each individual to understand and appreciate the beauties of God's creation and the wonders of science. This is mainly achieved through the students' own experiments. In this way the department gives the student body a firm foundation in the field of science and enables them to give greater glory to God.

Each year the **Home Arts Department** is highlighted by various activities. This year was no exception. At Christmas and in Spring, Open Houses were given, along with a Department Fashion Show. In addition, new draperies which were made by the clothing classes were hung in the Home Economics Room.

Improvement of personal, family, and community living is the main purpose of the department.

The **Commercial Arts Department** trains students for work in the business world. This year many seniors will graduate as qualified secretaries, bookkeepers, stenographers, and typists. Thus, the Commercial Department supplies a necessary foundation for business occupations, as well as personal skills for all of life.

The **Industrial Arts** courses are many and varied. They range from elementary shop to technical drawing and electricity. A new addition to this year's industrial arts department is the milling machine, better known as the "monster". This machine added to the many others gives the students excellent opportunities to use tools which interest them most. It also provides a basic foundation of skillful abilities to be used in future occupations and home life.

... Creative Imaginations

The **Fine Arts Department** strives to encourage creative imagination. The Art classes have displayed this creativeness in their various art displays.

A new member of the **Fine Arts Department** this year was the warmly-welcomed Knight piano. Our marching band also had something new to offer. That is — "top notch" ability which was shown by taking first place in marching competition at Valparaiso University, and participating in two parades on State Street. Choir music again was rendered with finality when our four major groups performed at concerts and chapel. An exceptional occasion was the appearance of the A Cappella and Girls Choir for the Christmas series at the Museum of Science and Industry.

In general this department establishes brighter personalities and therefore more profitable futures.

Staff Works Behine-the-Scenes

Members of the **Non-Teaching Personnel** are very often taken for granted. Those working behind the scenes are the maintenance staff, office staff, lunchroom staff, and the bookkeeper; all vital elements in the progress of our school. Each individual often contributes long hours of hard work. Whether found in the office, at the cafeteria, in the boiler room, or anywhere in our school, these workers deserve the recognition and honor of the entire student body.

Our senior year closes with a reflection of four years which have been laid as a FOUNDATION FOR OUR FUTURE. In these years we have had to assume many responsibilities, such as preparing studies, electing officers and class representatives, and guiding underclassmen.

We, as a class, have shown respect for our school and its name; we have also expressed and demonstrated in various ways, the close student-teacher relationship at LHN.

We express our gratitude to the administration and faculty; and as we graduate to different walks of life, we pray that God will follow us on our way.

A Foundation Is Formed As Underclassmen

*Mark of a greenhorn,
Soon put away,
Now means only memories,
Hours of study are
Needed to keep up with
The pace of high school life,
Junior class members
Anxiously await their
Symbol of senior status,
Library techniques and
Well-formed study habits
Help toward a college scholarship,
Underclassmen find a
Basic Foundation in both
Knowledge and character
Necessary for a
Successful future.*

Excitement, new ideas, and added responsibilities were all a part of this year for the class of '63. Excitement was shared when class rings arrived and when plans were made for the St. Louis trip. New ideas helped form the Junior-Senior Banquet. The banquet also brought added responsibilities and continuous hard work.

With three years behind them, the Junior class now anxiously awaits their final year. A year which will add another brick to their **foundation for the future.**

The class of '64 has now gone half way. In the past year the Sophomores showed enthusiasm and confidence in working together. Among their many experiences have been the planning of the Frosh-Soph party, the initiation of the "Freshies", and the election of their class representatives. Through parties and activities each Sophomore has learned to know his classmates better.

Now, with anticipation, these upper lower-classmen look forward to their coming years, and by working and studying together, they are making their **foundation for the future** stronger.

Freshmen have now received their first taste of being on their own. They have learned many new things in this past year and they are well aware that there is much more to come. Many experiences and activities have added to their year. Together they planned the class get-acquainted party and attended many sports events. The girls met their "big sisters," and the boys, as well as the girls, had endless locker trouble. Each one has now opened his first LOG and has also made many new and lasting friendships.

As their first year disappears into the past, so does their greenness. This past year has added much to their **foundation for the future.**

In addition to its regular responsibility of providing a link between the faculty and the student body, the **Student Council** has taken on the direction of many activities this year.

The nine girls and nine boys, representing each of the four classes, worked on such projects as giving a benefit party for Bethesda; making regular locker checks; putting up Christmas decorations; sponsoring boys' intramurals and planning one of the best Homecomings LHN has ever seen.

Another project was the publishing of the "Council Capers," which is sent to each of the 19

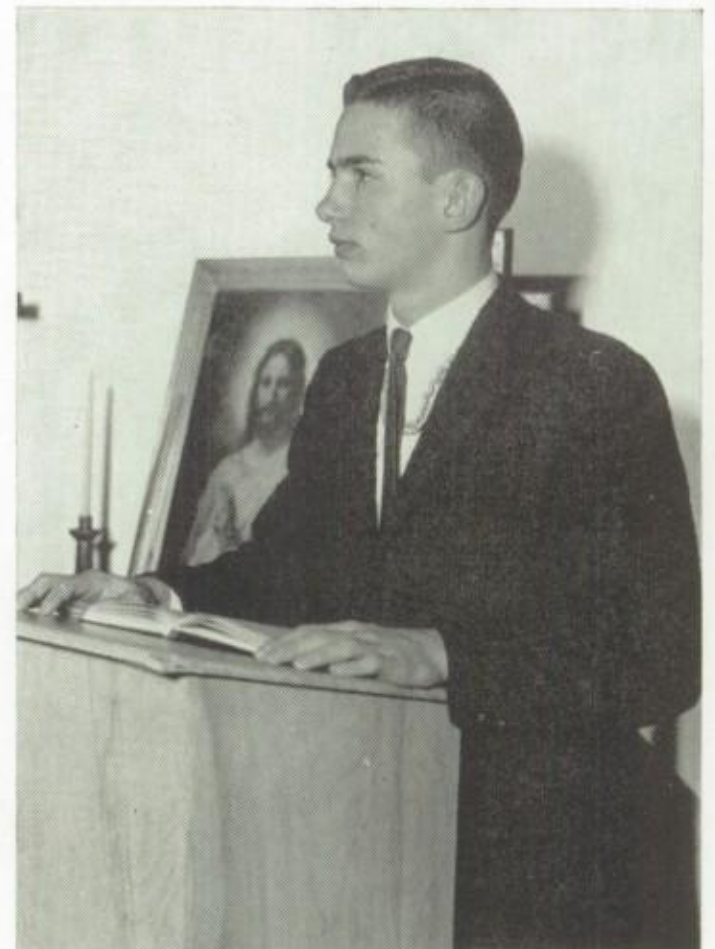

Lutheran High Schools in the U.S. The idea for this paper originated at the Student Council Convention held in St. Louis, Mo. This was attended by president, Karen Tamm, vice-president, Bill Schiemann, and faculty advisor, Mr. W. Hartkopf.

Also, much improvement was made on the major-minor system, changing it to an Activity Value and Civic Letter system, and assuming the job of keeping records.

The combined efforts of these students make the basic foundation for our school's government and extra-curricular activities.

Records and reports of all Council projects must be checked and rechecked. Karen Tamm and Bill Schiemann go over special projects with Ellen Wischmeyer.

The brightness of the altar shines out over the dimness of the audience at the close of all school parties. Here Skip Paschke, Student Council member, leads the group in prayer.

Through Counseling, Promoting, And Planning

Every Tuesday afternoon seven permanent and two alternating seniors can be found in the Senior room executing our unique system of control. This is the **Luther Student Life Committee** meeting to provide Christian counseling to fellow students.

Besides administering correction to violators of school policies, this committee, along with the Senior Class Council, leads the Senior Class in holding responsibilities and controlling underclassmen.

Although their job is not an easy one, the committee is often rewarded by the co-operation of the student body and the appreciation of the faculty.

A big part of the L.S.L. Committee's job is counseling violators, Rosie Presti and Joe Schmidt are seen helping underclassmen.

One student from each senior homeroom, the four class officers, and Senior Class Advisors make up the **Senior Class Council**. These Lutherites keep busy by administering the Student Life Program, planning the Junior-Senior Picnic, attending to graduation details, and assisting the L.S.L. Committee with their work. Along with these duties go the never ending problems that arise.

Their job of administering Senior responsibilities is an important one, and their part in school life is essential.

Another busy group is the **Junior Class Council**. Their biggest job is the Junior-Senior Banquet, which is about the most important social event in the lives of the upperclassmen. Throughout the year these students worked hard to make the banquet a memorable occasion. Sponsored by the Junior Class Council were the paper drives and the Fun Fair.

Seated; R. Reinhardt, D. Hempfing, Secretary, W. Jannusch, President, V. Anderson, Treasurer, T. Selke, Vice-President, E. Bergt, J. Oesterreich. **Standing;** L. Carlson, A. Siebert, J. Krock, Mr. Robert Connors, Advisor, P. Lorenz, Missing; S. McColl.

For the first time this year the **Sophomores** have a **Class Council**. The purpose in forming the individual councils for underclassmen was to give the classes a place to go and people to go to, with their problems and ideas. These recommendations are then brought before the Student Council. One of their big projects was the Frosh-Soph Basketball party which gave them experience in working and planning together for a group effort.

Another newly organized group includes nine freshmen, one from each homeroom, and the freshman class officers. This is the **Freshman Class Council**. Planning the Frosh-Soph Basketball Party was one of their first endeavors. Getting the class fully acquainted and functioning as a unit is the goal of the class council.

College Day for Juniors and Seniors and the Honor Roll are just two of the projects sponsored by the **National Honor Society**. To be a member a student must have a 1.5 grade average, be a junior or senior, and be approved by a committee from the faculty. These students worked hard to establish and maintain a strong foundation of knowledge.

Pointing to a reward for hard work is Judy Kadow, National Honor Society member. Other N. H. S. members, Leeann Carlson and Sue Koebel, give congratulations.

Turmoil, tension, excitement, and confusion were all experienced by the nine hard-working **LOG Staff** members. The 60-61 school year had just ended when plans for the 62 LOG were begun, and the theme, "Foundations for the Future" was chosen.

With the ultimate goal in mind, producing the "best" LOG ever, the staff enthusiastically started on its way to many problems, deadlines, and achievements.

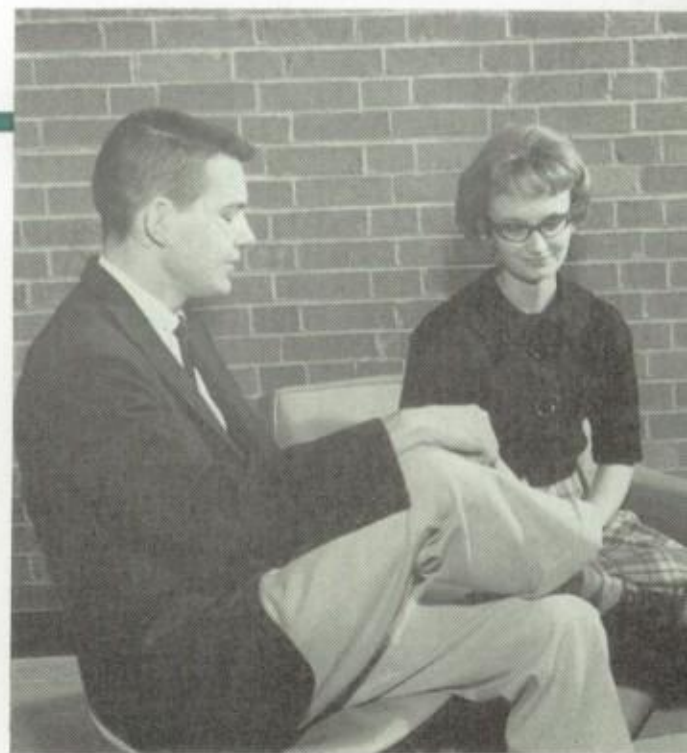

Each of the six deadlines consisted of accumulating many pictures, laying out each page, writing and re-writing copy, identifying each face, and checking and re-checking.

Hours-on-end were spent in trying to reach our goal. These efforts are now completed; and into the hands of the students and faculty goes the finished project, the 62' LOG.

Changes Format

Members of the **Blue & Gold Staff** became part-time authors and literary critics when they wrote and selected the material for their 1961-62 publications. The new paper meant more decisions and harder work than ever before. It was to be improved in journalism, which involved getting more news about students and organizations which serve the school.

Not only did the **B & G** become more intelligently written, but it took on a new style as well. Narrower columns, a larger format, and a lightweight paper made it appear as a real newspaper.

The '61 staff members worked to obtain information and write articles. These were then given to the editors and the long process of editing began. Their work was rewarded when the issues were rolled off the press and anxiously read by the student body.

New sponsor, new aprons, and new ideas gave added spark to the **Girl's Service Club** this year. Together twenty junior and senior members worked and planned to benefit our school. Through all-school parties, sponsoring a Viet Nameese boy, working with the American Cancer Society and serving at banquets, the girls "Gave Service Cheerfully" and strove to fulfill God's own command, "Whatsoever thy hand findeth to do, do it with all thy might."

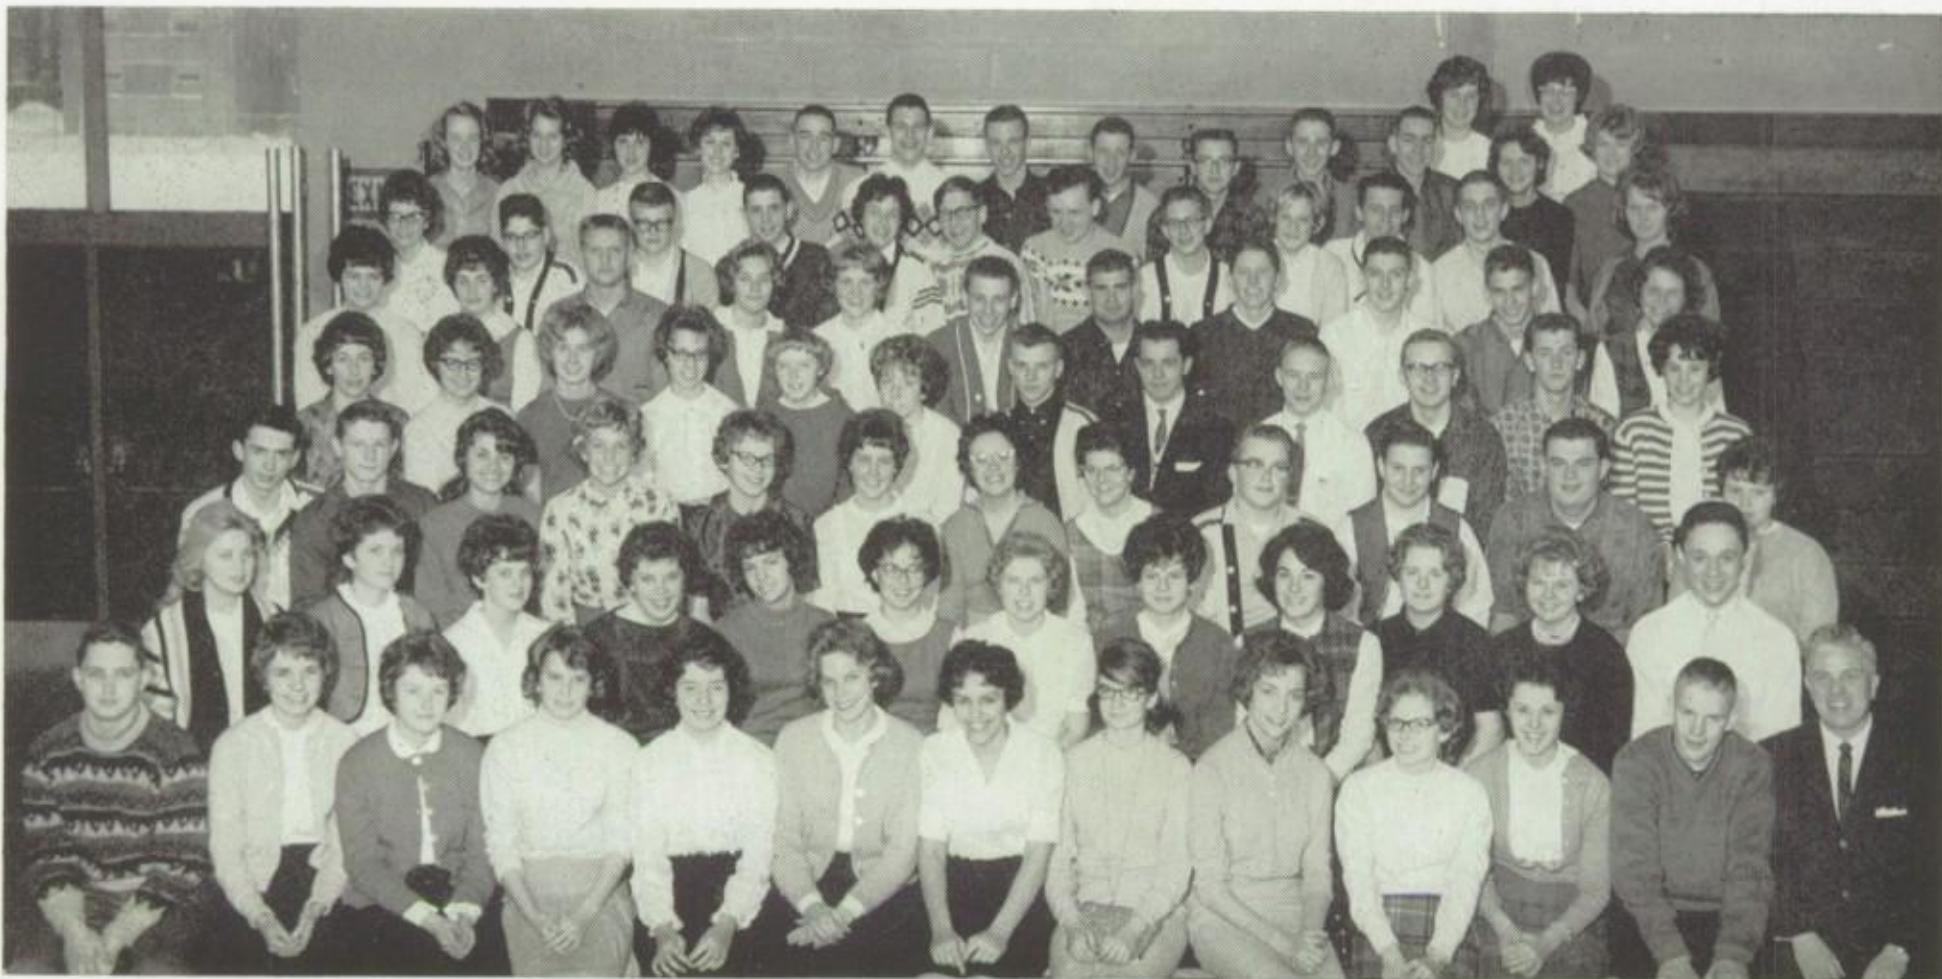

Wednesday night finds the 21 **Key Club** members working and planning together for the benefit of LHN.

The group, organized in 1954, is sponsored by the International Kiwanis Club. An annual project of the Key Club is the sale of peanuts on Kiwanis Kid's Day. Other projects which the boys undertook this year were: sponsoring the Magazine Drive in November, and the Seaway Candy Drive in January. Through these projects money was raised to help pay off the debt on the new addition.

"May I see your pass," is the familiar phrase used by 63 students who serve as **Hallguards**. Aside from checking hall passes, these Lutherites also greet and direct visitors, run errands, collect absence slips, and keep the halls clear and quiet.

Familiar faces during the lunch periods are those of some hard-working Lutherites. These students play an important part in the cafeteria program. Selling milk and lunches, setting up the cooler, and doing odd jobs around the kitchen are all tasks that help our lunch room function smoothly.

During their free periods the **Office Staff** is kept busy with many odd jobs. While operating the switchboard they are often called upon to deliver notices, file absence excuses or even do some typing. These tasks are all done out of service to the school.

Keeping a library running smoothly requires the efforts of more than one or two people. For this reason 60 Lutherites are engaged as **Library Assistants**. Shelving books, mending covers, taking inventory, and checking books in and out are just a few of the many jobs these students do to help us in our library. These students give up their study periods in order to serve LHN.

Added to the service groups of Luther this year is the **Publicity Staff**. Their job consists of notifying the neighborhood papers of events and achievements of the school. After much writing and re-writing of their copy, their efforts are seen in print. By this service, we are kept in contact with the community and our school is brought into public view.

The **Lettermans Club**, composed of boys who have lettered in athletics, has given honor and service to the school. The members sold hot dogs and popcorn at basketball games. As a result of their hard work the Athletic department has purchased new equipment and a new scoreboard. One of the highlights of the school year is Letterman's initiation day. "Masters" and "Flunkies" together will be remembered as a hit comedy team.

The Religion Activities Club showed a real progressive spirit of devotion and christian service. Reorganized as one group, they included in their projects the Thanksgiving Food Drive, a Bible collection, Easter Eggs for the hospital, and a tremendous missions banquet for the whole school. Forty-three members worked and planned to be able to look back on a happy and rewarding year of service.

Paint, brushes, glitter, and paper are all familiar to the Lutherites who show their interest in art through membership in the **Art Club**. This year, colorful Christmas decorations were made and sold by the club. They also planned trips to the Art Institute and made Easter decorations.

In this group creative abilities are used to express special interests.

Luther North Thespians offers many Lutherites the opportunity to contribute their talents. Major events planned by the group during the past year included two plays, "Two Blind Mice" and "The Death and Life of Larry Benson," a one act musical, "Medicine for Melancholy," and the Speech and Drama Banquet.

Every endeavor of the group requires much planning, and hard work. Willingness to work in dramatics is especially displayed by the members of Troupe 1930 of the **National Thespian Society**. Luther Thespians are eligible for membership in the society after they have given 100 hours of work either on stage, on committees, or on the stage crew.

"Strikes, spares, and frames" are **Bowling Club** language. Every Wednesday after school, these terms are used by the thirty-nine members who meet at the Irving Park Lanes. Divisions of five to a team are made and accurate scores are kept. At the end of the school year awards go to the winning team and high scorer. The purpose of this club is not just to produce a winner, but also to provide fun, practice, and an opportunity for improvement for all.

Special Interest Clubs

El Club Espanol, or the **Spanish Club**, offers a chance for students to express their interests in cultures other than the familiar customs of America. On the third Monday of each month, the club meets to organize projects such as their visit to the Museum of Science & Industry to see the Spanish Christmas.

The twenty members work together to broaden their cultural knowledge and interests.

"Aquariums, microscopes, and fossils" are familiar words to all **Biology Club** members. Two days a month meetings are held to plan and carry out projects. This year the club went fossil hunting, studied plant life at Volo Bog, had several interesting movies, and donated an aquarium to our school library. Through their activities these students study God's wonders and learn more about life.

Chess is an intriguing game of skill which requires great imagination and concentration as well as the ability to think of many moves before playing them. Many of the fundamentals and even special tricks of the game are learned during **Chess Club** meetings as well as during the games themselves. Inter-school competition is set up to encourage greater efforts, and tournaments are held occasionally with other schools.

Musical Fame Of

Voices of the **A Cappella** choir join together daily in song. A Cappella works hard for correct vowel production, balance, unison, and tone.

This choir, bearing the school colors, spreads the musical fame of LHN through three concerts at school, and performances at the Museum of Science & Industry, on German Day, and at various churches and teachers' conferences.

As the 76 voices are raised in God's wonderful gift of song, the hearts of these students unite for the good of the school.

School Is Spread

During third hour, ninety-five Junior and Senior girls meet together and lose themselves in song. After much hard work and practice, their light voices blend in perfect harmony and unison.

This choir also spread the musical fame of LHN by appearing at the Museum of Science and Industry and in concerts at Luther. Rendering their talents to the students, they added much to Wednesday chapel services.

Freshman choristers, Carol Placko, Bob Noreen, Christine Rauser, and Paul Moe eagerly enter the choir room for a period of practice.

Bob Lampi gives the folders to Chris Schutt, Dane Gazetta, and Carol Konecnik for distribution to the choir.

Freshman Choir began its journey on the road to good choral singing by learning many basic fundamentals. It was organized at the beginning of the second semester and participated in both the Lenten and Spring Concerts. Thrill and excitement awaited these eager freshmen as they united their voices publicly for the first time on Wednesday, February 14, to sing praises to our "God of Youth."

During the past football season almost every home game was accompanied by the rousing music of the Luther North **Marching Band**. The hard work of 42 Lutherites sparked the songs, added zest to the cheers, and gave that extra bit of moral support to the team. Playing at the Concordia, River Forest, homecoming game, participating in the annual State Street Christmas Parade, and winning first prize in marching Competition at Valparaiso University were some of the highlights of the band's performance.

Rooting For Wildcats And Wildkits Shows School Spirit

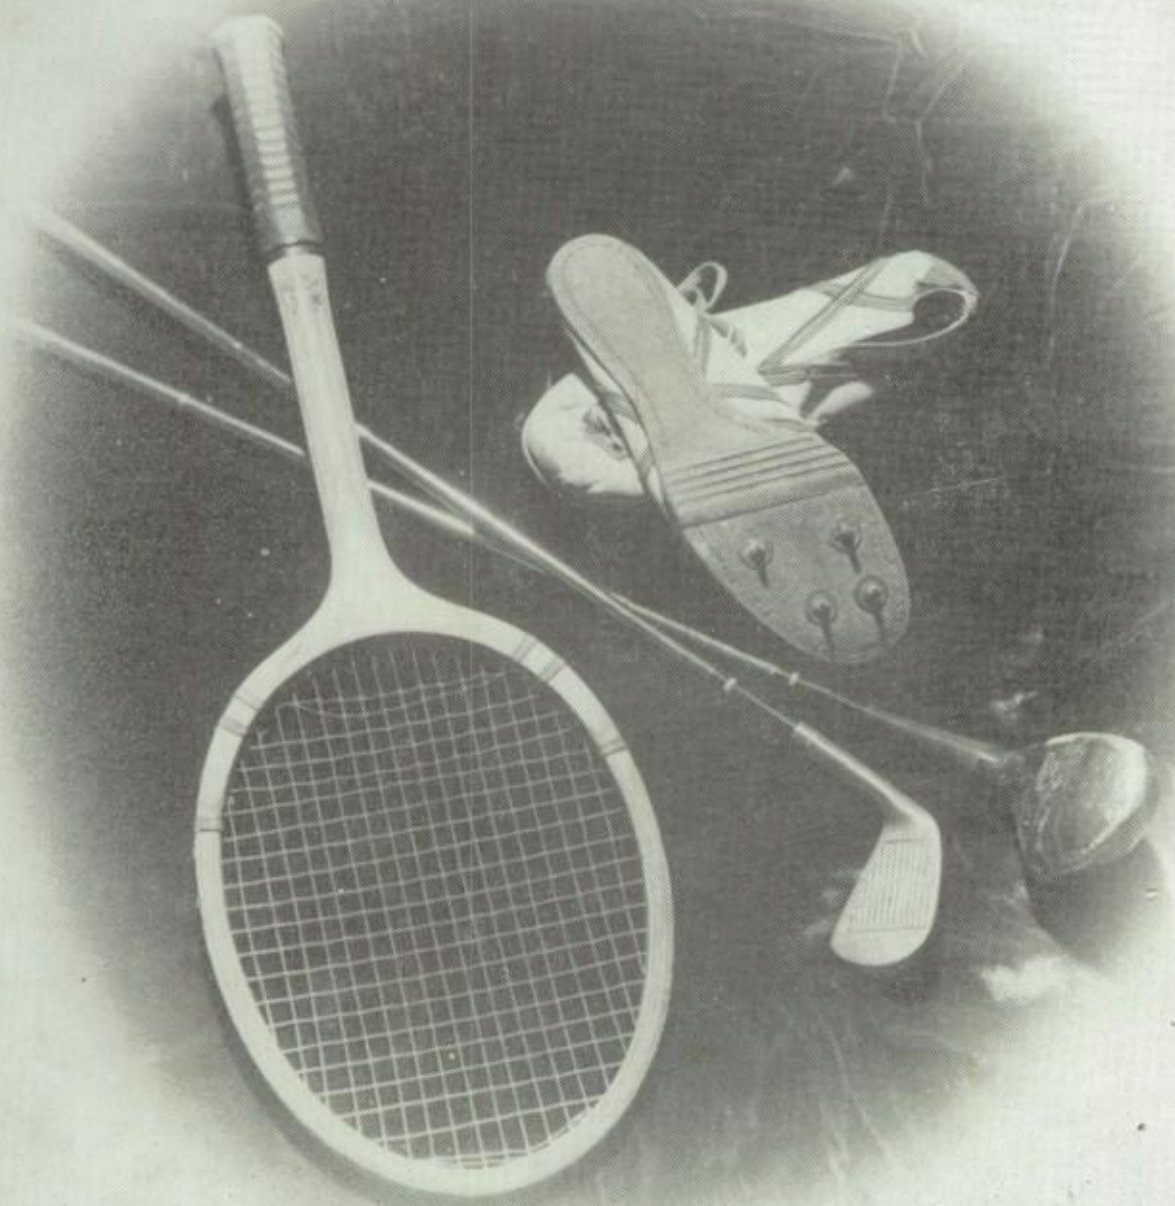

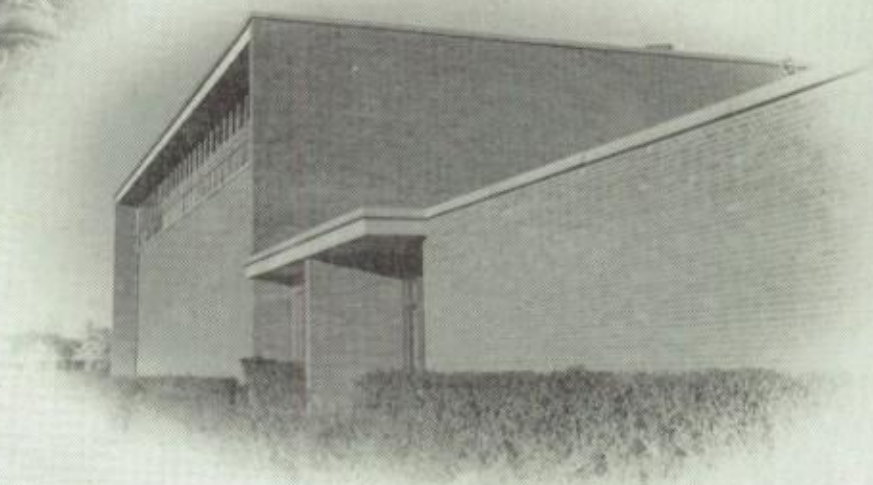

Imagine playing football in front of empty stands or playing basketball below empty bleachers. One couldn't expect too much spirit from the team under these conditions. To remedy this our **Pep Club**, composed of Lutherites from all four classes, attends every home game. White shirts and dark skirts or slacks can be seen in one section at all the games leading the cheers and urging our team on to victory.

The varsity cheerleaders add pep and spirit to a game.

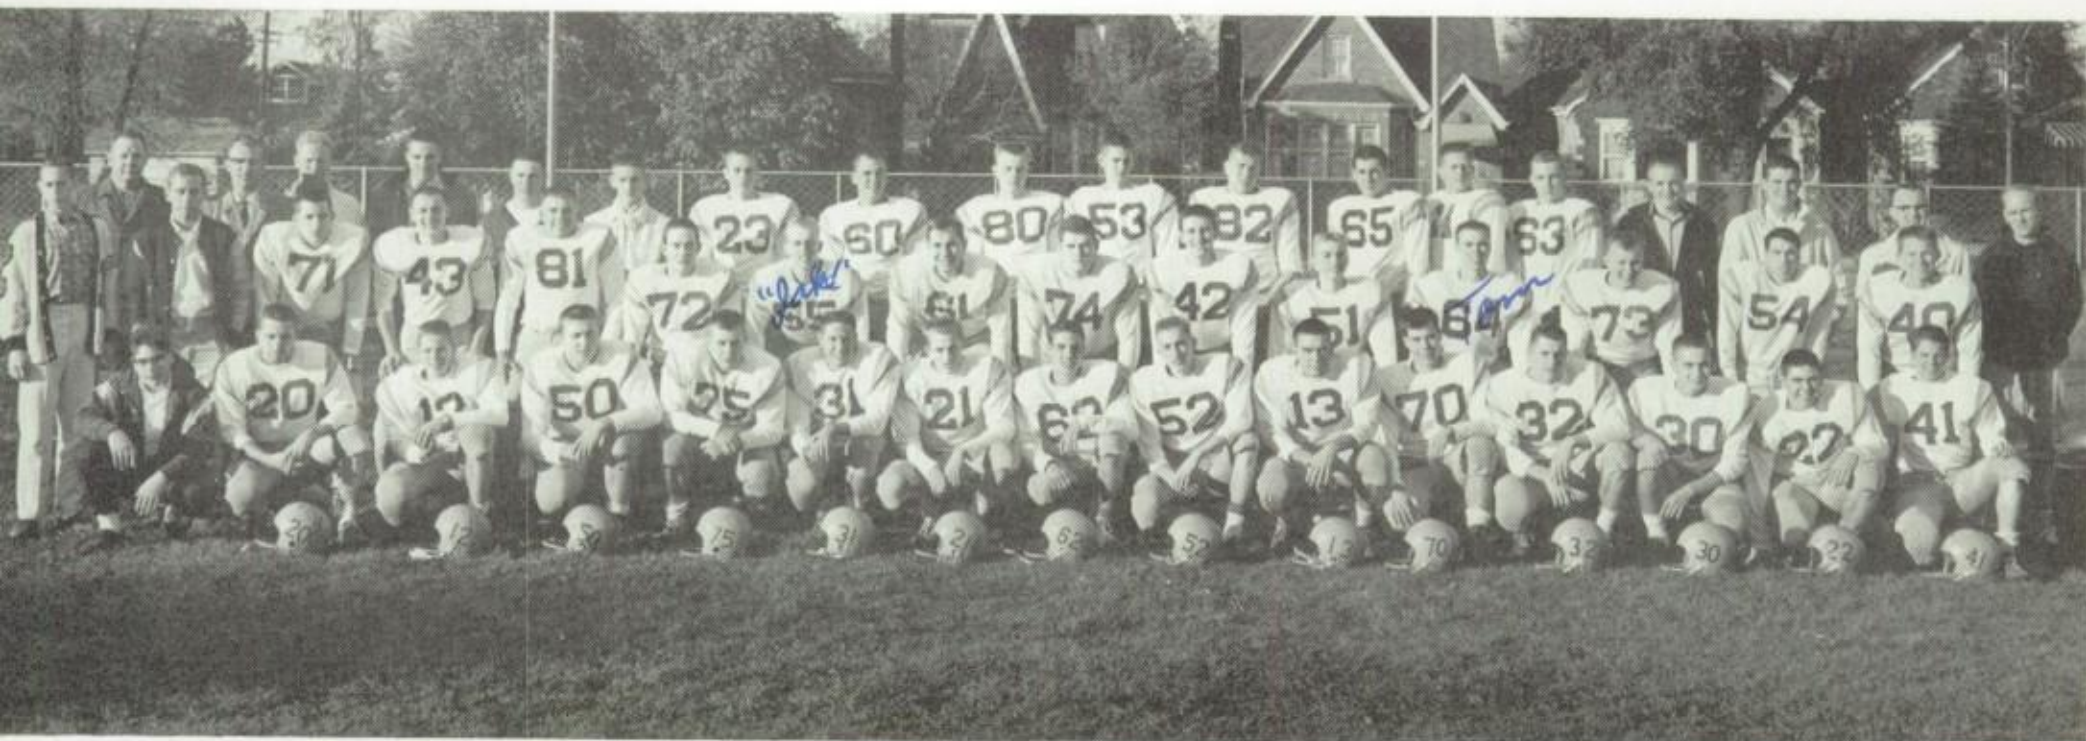

Our mascot, Shelly Ryza, learns a new cheer from captain Gail Leeney.

Experience and Practice Reward

This season Luther's new head coach, Roland Schleusener, with the experience of eleven lettermen, built another championship team. Three preseason games showed that more work had to be accomplished. However, the Wildcats opened the P.S.L. race with a 20-6 victory over Luther South. Since the Wildcats hadn't yet reached their potential, Coach Rogness built the line, which averaged 185 lbs. per man, into a tough defensive unit. Also the backfield, under Mr. SeEVERS coaching, started to function as swift and powerful groundgainers.

Captain Bill Schmidt led the Wildcats through warm-ups and onto the field before every game. Quarterback Carl Lohrentz used the combined abilities of Al Ladendorf,

a hard hitting fullback, Paul Wegehaupt and Jim Dryer, fast and powerful halfbacks, to gain 1,147 yards and 15 touchdowns! While the offense gained 1,450 yards this season, the defense held its opponents to 258 yards. One hundred and fifty-eight points were score to the opponents' seventy-seven points.

His team mates voted Paul Wegehaupt the most valuable player. Others also received honors: Bill Schmidt, Jim Nasheim and Paul Wegehaupt were elected to the first string of the All Private School League team. Bill Kouba, Al Ladendorf and Jim Dryer made up the second string, while Chuck Mead, Carl Lohrentz and Steve Faulhaber received honorable mention.

Cutting sharply, Paul Wegehaupt eludes tacklers as he carries the football to gain yardage for the Wildcats.

Frosh-Soph Completes Season Undefeated

The Wildkits had another successful season under Coaches Arthur Blecke and Robert Berning. Using the experience of returning sophomores, Coach Blecke assembled a Wildkit team that was both strong defensively and quick offensively. Eighteen new freshman football players got their first taste of rough high school competition.

Under the direction of Larry Wagner, captain of the Wildkits, the offensive unit gained 1,901 yards in six games this season and scored twenty-one touchdowns. The defensive unit, built of sturdy freshmen and sophomores, held their opponents to two touchdowns all season. After a hard fought season, the Wildkits emerged with a 6-0 record. Jim Fitzpatrick was considered by his teammates the Most Improved Player of the season.

Thirty-seven records were broken, 137 points were scored, and the Wildkits completed their first attempted field goal!

Lots of vim, vigor, and vitality were demonstrated by this year's **Varsity Cheerleaders**. Many hours were spent in summer sessions and after school practices to co-ordinate actions and words which would make the students want to yell for their school. Their mascot, Shelly, added much to their cheers by providing an added spark to the group.

The **Frosh-Soph Squad**, also under the direction of Miss Brower, helped to bring out the school spirit at games and pep assemblies. They too spend much time learning new routines and getting in the groove of practice and hard work. As they cheer our team on to victory they add to the excitement of our sports events.

Fast Break Sparks Wildcats

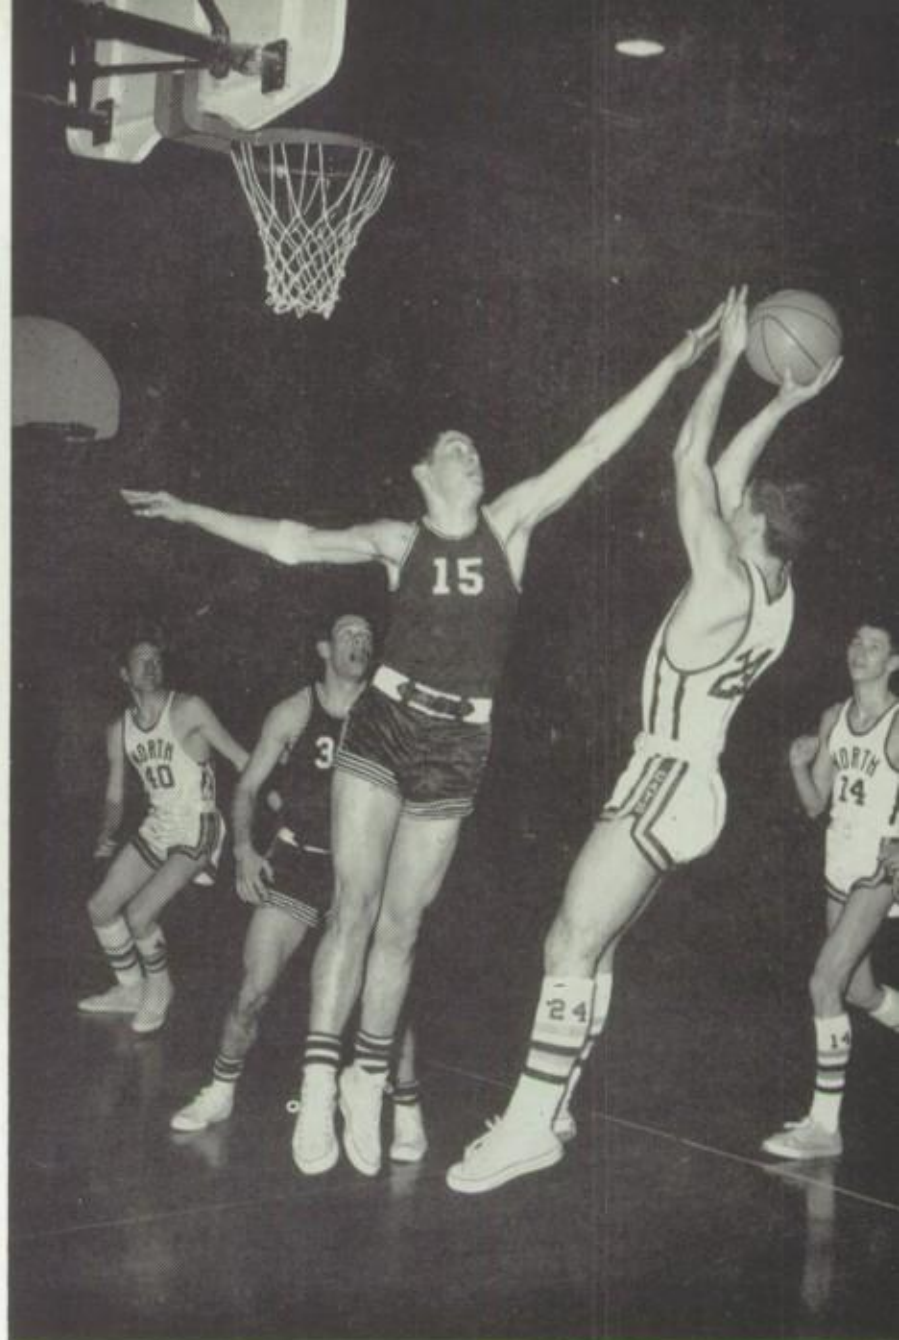

An exciting season, full of triumphs and setbacks, was highlighted by the Wildcat climb to the Private School League Co-Championship. A hard-driving fast break sparked the offensive attack, while fierce rebounding showed Luther's supremacy under the boards. Coach Blecke used the skill of three returning Letterman and the added spark of several new players. With a shooting percentage of .41, Luther tallied 1060 points from the floor, and 296 bonus points at the free throw line. Don Johnson, Carl Lohrentz, and Harry Akre combined their accurate shooting abilities and Luther's fast break to pour 571 points through the hoop. Also, Captain Joe McPeck, and Ken Jacobsen pulled down a total of 412 rebounds, while Sophomore Dick Briars concluded the season with a remarkable 59 percent shooting average. Our highly competitive Varsity finished a tough season with a 12 and 10 record.

Combining both the element of speed and surprise, Carl Lohrentz drives for "2 points" on a fast break.

Coach Blecke and Joe McPeck hold a serious discussion before the start of the "first quarter".

Junior Squads Improve with Practice

After a hard-driving season, the **Frosh-Soph Basketball Team** completed its '62 season in 5th place. Coach Seevers "drilled" the Wildcats to utilize basic plays and also stressed the importance of accurate shooting ability. Pat Samack, who was voted Most Valuable Player, scored a total of a 130 points, while Don Benziger dominated the "boards" with a total of 130 rebounds. Sophomores, Al Wenzel and Jim Koehler served as co-captains for the Wildkit team.

The Wildkits proved their ability to compete with tough opposition when they posted a 9-14 record

and scored a total of 735 points during the season. Gaining skill and experience from exciting competition, these Frosh-Soph players will play an important role in future Varsity teams.

Another of Luther's junior squads is the **Freshman Basketball Team**. Under the direction of Coach Teschke, sixteen freshmen boys combined basic offensive and defensive maneuvers in learning to co-ordinate as a team. These boys played a total of ten games and finished the season with a 7-3 record.

New Varsity Added to L.H.N.

The Cross Country team was a new sport added to the '62 fall agenda. Coach Everly trained these boys at Schiller Park, which has a rough two mile terrain especially made for cross country. Hard practice and high stamina benefited these boys with experience in this rugged sport. With a total of seven schools in this newly formed league, Luther's Cross Country finished fourth place. This new team should prove highly interesting in future years.

Besides training underclassmen boys for the Varsity track team, the **Frosh-Soph track team** also provides competition and experience for these boys. This year coaches Everly, SeEVERS and Offerman familiarized these boys with "starting" and running techniques in order to develop them into skilled trackmen. Valuable experience was gained by these boys during the meets and the Frosh-Soph invitionals, which were held for the first time this year.

Three returning lettermen, along with the ability of several experienced trackmen, all combined to form a strong and rugged **Varsity Track Team**. Both the eight hundred eighty yard and mile relay teams made fine showings in league competition. Bob Nimtz, track captain, demonstrated his stamina in the half mile, while Bill Schmidt, field captain proved to be tough competition in the shot put. Coach Everly and Coach Offermann concentrated on improving the pole vault, high jump and hurdlers, during the season. Strong bids were made by our trackmen in the half mile field events and broad jump. The enthusiasm of our team could be seen in the fine performance of each trackman. Our cinderman entered a total of eleven track meets and ended the season with the All Private School League Track Meet.

Our **Swimming team**, with a total of eight league meets, placed third in the league standings this year. Coach Kolzow relied on Jim Fitzpatrick, Bob Krueger, and Ed Gustavson to capture honors for Luther. Practice was held both here at Luther and at the New Lawrence pool. Steady improvement throughout the swimming season climaxed when the Poolcats received twelve ribbons at the P.S.L. Swimming Championships.

A skillful **Tennis team** completed another season against stiff competition. Don Bensiger, a returning letterman, saw considerable action along with Lennard Nadalo, Dieter Bergmann and Terry Kelsey. Consistency and control were stressed by the Tennis coach, Rev. Wehmeier, as the Racketmen completed a full schedule of twelve tennis matches and climaxed the season with the P.S.L. tournament.

The **Golf team**, under the new coaching direction of Mr. Schleusener, practiced diligently at the White Pines Country Club. Coach Schleusener stressed the importance of fundamentals, while also concentrating on improving "driving", putting, and chipping. With returning letterman Marty Gannon, captain, and several experienced golfers, the Golf team made a fine showing during its seven meets this season.

Coaches Blecke, and Teschke built their '62 **Baseball Team** with six returning lettermen from last year's Championship team. Experience and depth were gained by the three new sophomores and two new junior pitchers, who saw considerable action during the thirteen games played this season. However, the reliable pitching of Durwyn Wolf and catching of Carl Lohrentz, backed the Wildcats in tight situations. Captain Al Ladendorf, along with another senior, Chuck Mead, came through with timely hits. The Wildcats opened their second Championship bid with a decisive victory of 8 to 1 over Morgan Park. A total of eighteen boys composed this year's "nifty" fielding and hard-hitting team.

Seniors Represent

Students at Luther, including Seniors, can recall the many events as they occurred. The memory of these activities and of the school year in general bring to mind certain types of individuals and their role in these activities. Seniors were chosen by their classmates as being typical of these types.

Teri Anderson and Jerry Kuker exerted much time and exceptionally hard work for Luther activities.

Two talented people who displayed skill in athletics during the year were Gail Leeney and Bill Schmidt.

Ruth Gensch is an excellent representative of Luther's musical program.

Joe Schmidt and Ruth Olsen worked hard all year long to improve the Senior Program.

Characteristics of Student Body

Versatility in many school activities is a characteristic of Karen Fick and Paul Wegehaupt.

Two Seniors who brightened the corridors with their fun and friendliness were Bonny Olson and Bill Hardt.

Activity-Filled Weekend Brings Students Together

At the main entrance Judy Kehm, Nancy Wischmeyer, Queen Gail Leeney, Karen Fick, and Barbara Dau pause before alighting the regal float.

As the lights in the gym were extinguished and the downbeat rolled out over the crowd, the Pigskin Pow-wow show began. This marked the start of the 1961 Luther North **Homecoming** weekend. In the next twenty-one hours, little sleep and much excitement filled the lives of students, parents, teachers, and alumni. Floats had to be completed, congratulations passed out to a new queen and court, a parade to be watched, cheers to be yelled, taffy apples to be devoured, confetti to be thrown, songs to be sung, and a championship game to be won by a championship team. And, although we may not have realized it, throughout the weekend, while we laughed and cried, worked and played together, we were building a strong foundation of memories for the future.

Parties Follow Homecoming

"An Evening in Paris" was highlighted by a group of songs by the Foresters from Concordia Teachers College.

Typical of all parties are good refreshments and lots of people. Here Bob Melcher stops to talk with Margie Wallace while enjoying a coke.

An important part of school life occurs at all school parties. The Student Council, Girl's Service Club, Key Club, and other organizations work and plan to provide evenings of enjoyment. November offered Harvest highlights complete with pumpkins, cornstalks, and a paper moon.

To break the monotony of a cold winter, students gave full support to the Student Council Drive for Bethesda by attending the Snowball Bounce.

Following Valentine's Day, Lutherites spent an "Evening in Paris," where they ate and talked in a sidewalk cafe under the Eiffel Tower.

Freshmen and Sophomores joined to produce a fabulous basketball party to finish the season on the right note. The Juniors, after much preparation and work, provided a big weekend of entertainment for parents, teachers, and students at the Junior Class Fun Fair. Amid White Elephants, Fish Ponds, Basketball Tosses, and a real jail could be found the laughing faces of people who were really enjoying themselves.

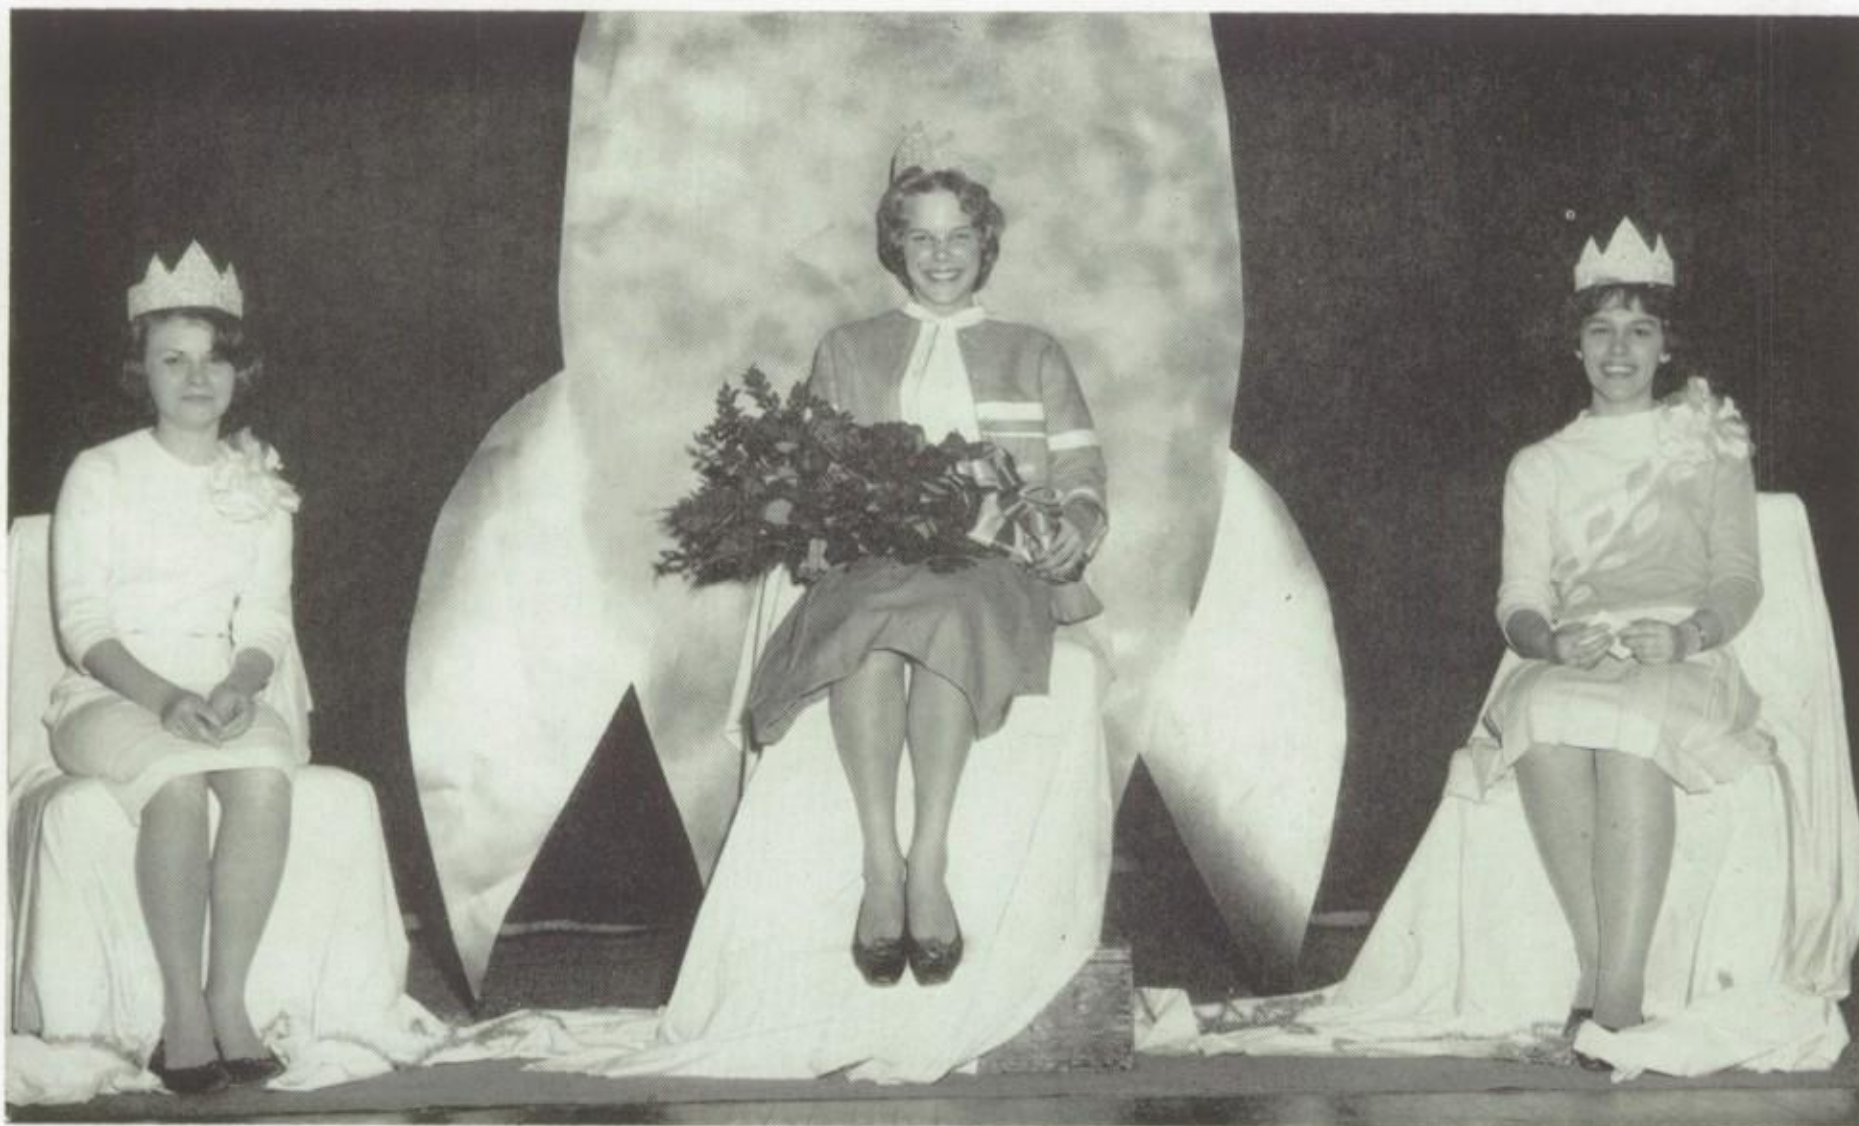

A list of the parties ends with the "Spring Fling," which brought students together for a final get-together and provided an opportunity for LOG-signing.

Laughter, music, refreshments, and Lutherites make a wonderful combination for school parties to be the success that they always are.

Playing host to the all-school party, Snowball Bounce, the Student Council Snowman entertains Irene Petrussek.

Queen Jane Lehmpuhl and her court, Linda Lutz and Kathy Korthals, reign over the Frosh-Soph basketball party, Rocket-Roll.

Jill McCormick, Sharon Mace, and Gail Hafner face the cold winter day as they hurry to the warmth of the school.

Old man winter out-did himself this year in sending weather never to be forgotten. Even the blizzards and below-zero weather did not hamper the warm-heartedness of Luther North students. The faces of the new freshmen and teacher who started the second semester helped warm the corridors throughout the year, and reminded us that Spring was on its way.

New Faces and Initiations Warm

Newly initiated Freshmen grin as they recall the fun and activities of the day.

the Cold Winter Scene

Puzzled and bewildered freshmen faces; sophomores confident and grinning from ear to ear; what could it be? Why, Freshman Initiation Day, of course! Freshies could be seen wearing humiliating dunce caps made of newspaper, scampering down the halls between classes trying to evade the familiar sophomore call, "Hey, freshie, carry my books!" Refreshments as well as all kinds of fun and games were in store for members of both classes at the party after school that day, and the freshmen were thereby able to become better acquainted with their "close friends," the sophomore class.

A similar occasion later in the school year was the initiation of the new letterman. Requested to wear one boot and an Easter bonnet to school, flunkies put on quite an eye-catching show for the entire student body during and between classes. After school, the new lettermen demonstrated their talents and artistic inclinations by putting on the "Flunkies are Funny" program for their fellow Lutherites.

Give Year Life and Excitement.

Determination, persistence, and many hours of practice are needed to make a play a success. Before the first performance, actors must be chosen; lines must be learned; blocking must be mastered; and the final polishing completed. Work does not stop with the director; his assistants, and the performers; many behind-the-scenes workers are kept busy. Finally, after many weeks of hard work, the play is ready for its opening performances. This year the Thespians presented three plays. The first one, given on November 15, 17, 18, and 19, was called "Two Blind Mice." During March a one-act musical, "Medicine for Melancholy" was presented for the student body and various outside groups. The final play of the year was given on May 2, 4, 5, and 6. It was "The Death and Life of Larry Benson."

The early morning of April 23, 1962 found suitcases checked, safety belts fastened, and anticipation at its peak. This began the invasion of the nation's capital by our seniors. Flying was a new mode of transportation for the Washington trip. As usual a full itinerary kept everyone on the go all day with sight seeing, picture-taking, and information-gathering to keep the tourists busy a full portion of the day. One week later, some very tired but extremely happy travelers landed in Chicago, completing one of the most memorable trips of their lives.

Anticipation of an eventful week is evident to Mr. and Mrs. Walter Hartkopf, who served as chaperones on the Washington trip.

Gala Event Ends Year

The Red Lacquer Room of the Palmer House was the setting for the big day in the lives of Juniors and Seniors. Feminine frills and masculine dignity provided an atmosphere of sophistication exhibited by all on this momentous occasion. From the Juniors to the Senior Class went many heartfelt wishes of health, long life, happiness, good luck, and a strong faith as symbolized by the theme, "Wishing You Well."

Casual and formal clothing for all ages and at many prices caught the eye of everyone present at the annual **fashion show** given by the Ladies Auxiliary on Friday, March 30, 1962. Bright spring suits and gay summer dresses, along with bermuda sets and beach wear, were typical of the fashions modeled by students and Auxiliary members. A new idea this year was the real flower garden on stage, complete with water fountain, patio furniture, flowers, and a swing. Luther Singers add sparkle to the show by being active participants in the concluding bridal procession, as well as through their rendition of suitable music.

At the conclusion of the year our thoughts wander back over unforgettable experiences, added knowledge and wisdom, fun and fellowship all of which have added to the development of our character. We are filled with emotions of joy and regret, of reflection and anticipation, of gratitude and sorrow. Something of ourselves has been left here, and the memory of those things that are meaningful and lasting has strengthened our foundation. The Christian concept, which we know is needed for our future, has been firmly built into this foundation.

Lou -
To a fine fellow with
a great sense of humor. Too
bad we didn't have any classes
together this year. I'll never
forget the fun we have had
in previous years. Stay as
good as you already are and
I'm sure that you'll go far in life.
God Bless You Always
Steve Ruth (Dieb)

We Express Our Thanks

The staff of the 1962 LOG expresses its sincere gratitude to many who have been of assistance; to the faculty and administration for understanding, patience, and encouragement; to the Norman King Company, and especially Messrs. Ernie Rubak and Norman Koenig, for guidance in planning and for the production of the book; to the Walinger Studios, and especially Messrs. Bob Hanson and Earl Rich, for excellent photography as well as co-operation in scheduling; to Mr. Hartland Klotz of the Chicago Daily News for additional photography; and to our parents for all that they have endured.

We also express our gratitude for the marvelous experience that we have had and hope that the result of our work will be the satisfaction of our readers for many years to come.

Dear Louis,
This is the first year I've
really come to know you and
I sincerely say it's been a
real pleasure. Any time you
get stuck in a piloblow now
get on a bus and head for
my house. I'll give you
some hot chocolate again.
Remember the few good
times we've had and
I wish many more.
Be good and don't
forget me!

Love
Lester Martin

Dear Louis,
It's been great
knowing such a wonderful
guy. I never knew you very
well before religion in our
Sophomore year, but I know
that now I could never forget
the fun we've had. Remember
the hockey game, the boat
show, the ice capades, & the
basketball game? I know that
I will never forget them.
Always remember the laughs
we've had, & please remember me.
Good luck & be good.
Love ya,
Benny.

Love
Lots o' luck in
the future, be good.
Haha! We've been
friends for a long time
and I hope our friendship
lasts for a long time.
Your Buddy
Ken

Dear Louis,
I only
got to know
you this year.
But I really
enjoyed it. I wish
it could have been
sooner. Don't get mixed
up with girls, they're no
good. Let's be friends in all
a swell guy.
God's blessings
Remember me,
Lester

Dear Lou,
I hope you
have the very best
out of life. Good Luck
And I'll miss you.
Love, Darlene Sanger

Hi Louis -
It's all over, or nearly almost
all over, remember all those
physics experiments and trig
solid problems we had to get
up to early to get to slide rule, to
be just as fun. But don't forget the future
will be all
Carl Hawsky

Remember that junior gym
class where Kokkoff's (Claw's)
creamed Bianchi's Books?
Well I do and I remember
that those ball games got
pretty wild. I wasn't too
disappointed because I'd rather
lose to your team than any other.

Bob Bianchi

Lou,
I hope you
Good luck in what
ever you do next year
and the year to come.

Lou,

I must say I really appreciated being locker partner
with you this year. Too bad we didn't go on a choir
tour either year, but choir was loads of fun anyway.
I'll always remember you from some of the great
experiments we did in Physics this year. Say good bye
to Uncle Er' for me, I'll give you the privilege.
The best of luck over the summer and throughout
your future years. Hope to see you again.

Sincerely,

Serry

Lou,

I have enjoyed knowing you
these past four years at Luther. Time
really flies doesn't it. I am glad that
we had speech class together this year.
You are a swell ~~guy~~ guy and I hope
that the future holds happiness and success
for you,

Your buddy,

Ken Jacobsen

Dear Lou,
 This senior year has really been a ball. I've had so much fun goofing off in the senior room. You are a real nice guy and a lot of fun to be with. I wish that this year would never end. Best of luck to a real swell guy. May God always richly bless you.
 Love,
 Cheryl

For the morning I've been fun at it. I won't be for everly's. Be able to walk with God (or Cheryl, or Carol). Always (Red).

Dear Lou,
 It's been fun knowing you. Best of luck in what ever field you decide. Seems funny seeing your cheerful face. Have a nice graduation & then not forget to cheer up!

Lou,
 I'm sure that you succeed in whatever you do. Good luck & God bless a true friend.
 Remember your friend
 Always, Tam Wischniyan

Dear Lou,
 It's sure has been a swell
 year. You know we couldn't
 have a super guy had some
 you are a rough time of it with some
 sure a patient and you will find
 suck Be true road to happiness. Best of
 (?) the future to a sweet fellow.
 luck in the future As always

DEAR Lou,
 It's been a pleasure
 to have you as a friend. I'll
 NEVER FORGET THOSE WALKS
 DURING 4th PERIOD, LISTENING TO
 your troubles. We've had lots
 of fun, especially the times
 Ken and I got together
 with you to do something.
 ABOVE ALL, I'LL REMEMBER
 your SINCERE ATTITUDE.
 Lou, I hope you get what
 you want - you deserve
 it. Hope I see you
 next year - be good!
 REMEMBER ME ---
 "ANN LANDERS" EBERT.
 GOD BLESS
 YOU ALWAYS.

LOVE,
 JUDY

DEAR Lou,
 THROUGH THE YEARS IT HAS
 BEEN GREAT TO HAVE YOU
 AS A FRIEND. TO BAD
 A LITTLE PAPER DISRUPTED
 THE WHOLE "B.I.T."
